

Shera "Sheila" Roames, CCE

Western Regional Credit Manager
Ergon Asphalt and Emulsions, Inc.

For more than 30 years, NACM has been at the heart of my professional journey. I can confidently say I would not be where I am today without this organization. Serving on the Board of Directors is not just an opportunity for me; it is a responsibility and a privilege to give back to the association that has shaped my career and my passion for the credit profession.

With over three decades of commercial credit experience in the construction industry, I currently serve as Western Regional Credit Manager for Ergon Asphalt & Emulsions. Throughout my career, I have remained deeply engaged with NACM and CFDD at both the local and national levels. My service includes Past National Chairman of CFDD, 19 years on the CFDD National Board, six terms as CFDD Phoenix Chapter President, and service on the NACM Intermountain Board of Directors from 2019–2025.

Education, mentorship, and professional development have always been central to my mission. I have earned my CBA, CBF, and CCE designations and have been honored as NACM National Certified Credit Executive of the Year. I have spoken at multiple NACM Credit Congresses, contributed to industry publications – including our very own Creditwise Newsletter – chaired trade groups and education committees, and mentored emerging professionals throughout my career.

NACM has given me knowledge, leadership opportunities, lifelong friendships, and a meaningful platform to serve. I am committed to ensuring the next generation of credit professionals receives the same support, education, and inspiration that shaped my journey.

A few personal notes: My fiancée, Brian, and I are the proud parents of our fur baby, Scooby-Doo. One of my greatest joys in life is being the proud mother of Shambree (34) and Kaylee (31), bonus mom to Jacqui (31), and "Grammie" to four beautiful bonus grandchildren – Jarri (12), Matthis (10), Angelo (5), and Eli (1). For the past 14 years, I have also been a proud member of Bikers Against Child Abuse (BACA), an organization dedicated to empowering children to feel safe and strong in the world in which they live.

With gratitude and determination, I respectfully ask for your vote and the privilege to continue leading, serving, and strengthening the credit community we are so proud to call our own; while building an even stronger future for our association and the credit professionals we serve.
