Rules Governing Scholarship Awards

1. Applicant must be a member of the ICEL Chapter for a period of not less than one year. (Scholarships are based on percentage of attendance at the meetings per 12 months.)
2. Applicant may apply for scholarships from both NACM Education Department or ICEL but will be awarded only one of the two at any one time.
3. The Education Committee MUST receive applications on time for consideration.
4. Applicant may apply for a scholarship every semester and may be awarded a scholarship every semester, whether or not they have been awarded a scholarship previously.
5. The applicant must have a minimum of 80% attendance at ICEL meetings. This will be determined by actual attendance of meetings where CEU points are given, dividing the number of meetings held in a one-year period, into the number of meetings attended. (80% for 12 months of CEU meetings is 10.) This will give all applicants an equal opportunity to gain a scholarship.
6. For this purpose, you must remember to sign in at each meeting attended. It is your responsibility and not the responsibility of the Secretary for proof of attendance.
7. Successful applicants must complete the course with satisfactory attendance and grade. Percentage of attendance to classes shall be at least 85%. Grade must not fall below a "C."
8. Should the applicant fail to attend conference, class, or exam, or to maintain the "C" grade, the costs incurred by the scholarship fund will be billed to the member, at ICEL's discretion.
9. These rules are in no way intended to discourage an applicant from applying for a scholarship!! They are intended only as a guideline to insure each person the right of a scholarship, but we want you to "reach" to gain your ultimate goal thereby enhancing your potential.
